

I am Niraj Gujarathi, currently pursuing M.Tech. in Computer Science and Engineering from **International Institute of Information Technology Bangalore** (IIIT B). I have one year of work experience as Associate Software Engineer at Accenture in Java Technology. In Addition to that I have **Secured 99.2%ile in GATE-CS-2021 with All India Rank – 852.**

My Software development expertise includes:

- Proficient in **JAVA** and Machine learning
- Comfortable in Node JS and python and (java - spring framework).
- Gathered knowledge of HTML, CSS, Bootstrap and JavaScript in web development.

I have volunteered as a web developer at ISTE council and TMRT council in my college. I always have a clear focus on delivering the best results and the best experience possible to site users and I am confident that I can bring the same level of high standards to your company.

Aside from my technical competencies, I am a solid team player who can work to tight deadlines also has plenty of initiative to deal with unexpected problems. I've attached a copy of my resume detailing my experience, along with links to websites and projects I had the honour of working on.

List of websites developed-

- <https://github.com/NirajGujarathi/Weather-App>
- <http://istekjsce.org/OLDISTE/prakalpa18/index.html>
- <http://www.tmrt-kjsce.com/>

Projects-

- BE Project- Accident prevention of Vehicles by Observing Instantaneous feeds of Driver Drowsiness (AVOID) based on CNN and machine learning models aims at vehicular accident prevention by capturing the driver's facial expression.
<https://www.ijcaonline.org/archives/volume178/number23/ramkrishnan-2019-ijca-919067.pdf>
- Application Development of Wi-fi Strength Scanner and Mobile Hardware Details Retrieval using Android Studio.
https://github.com/NirajGujarathi/Storing-WIFI_strength-values-in-android

Along with that I have improved my technical skills in the field of Information Security with CEH v.10 (EC-Council) certification and Microsoft Technology Associate in Security domain.

I have completed Microsoft Azure Cloud and AI Fundamentals certification. Also, I have great passion in data analytics, machine learning.

Thank you for your time and consideration. I look forward to hearing from you soon about this opportunity.
